

Registering for a Posit Cloud account

1. Go to: <https://posit.cloud/> , and choose “Sign up”

The screenshot shows the Posit Cloud homepage. At the top right, there are links for "Log In" and "Sign Up". A red arrow points from the "Sign Up" link to the "Sign Up" button in the navigation bar. The main heading is "Friction free data science". Below it, a paragraph states: "Posit Cloud (formerly RStudio Cloud) lets you access Posit's powerful set of data science tools right in your browser – no installation or complex configuration required." To the right of the text is a video player showing a man presenting to an audience. Overlaid on the video is a "New Project" dialog box with options: "New RStudio Project", "New R Project", and "New Project from Git Repository". Another "Add Member" dialog box is also visible, showing fields for "Full Name", "Email", and "Role".

2. Select “Learn more” under “Cloud Free”

The screenshot shows the Posit Cloud pricing page. At the top, there is a "Posit Cloud Pricing Update" section. Below it, there are four pricing plans: "Cloud Free", "Cloud Plus", "Cloud Premium", and "Cloud Instructor". A red arrow points from the "Learn more" button under the "Cloud Free" plan to the "Learn more" button under the "Cloud Plus" plan. The "Cloud Free" plan is priced at "\$0 / forever". The "Cloud Plus" plan is priced at "\$5 / month". The "Cloud Premium" plan is priced at "\$99 / month" and includes discounts for academic, non-profit, small and medium business, and developing country use. The "Cloud Instructor" plan is priced at "\$15 / month" and includes three options for covering student costs. At the bottom, there are four "Learn more" buttons, one for each plan.

Cloud Free	Cloud Plus	Cloud Premium	Cloud Instructor
\$0 / forever	\$5 / month	\$99 / month Discounts available for academic, non-profit, small and medium business, and developing country use	\$15 / month With three options available for covering student costs
